PTO

One of the novel suggestions that has emerged given our geographical isolation during the ash crisis is to consider a land connection from Ireland to Britain either by bridge or tunnel or a combination of the two. The feasibility of this will be discussed at the Seminar.

Questions and Answers

Tea / Coffee 11.15am

LUNCH will be served Circa 1.00pm

Speaker; **Dr. Kieran Hickey** lectures in geography at NUI Galway. His main research interests are climate change, storms, hurricanes, weather disasters and the climate history of Ireland. The author of *Five minutes to midnight? Ireland and climate change (2008)*, he is currently preparing a book on the natural and cultural history of wolves in Ireland (2011).

Sunday 22nd January

10.00 am. **Delegate comments / observations / networking.**

Seminar fee: € 145
